MEMORANDUM FOR : TOD Committee Members
SUBJECT : Draft of Parts I and II of TOD Report

1. Herewith for your consideration is a redraft of Parts I and II along the lines discussed in our meeting on 30 August. In preparing this redraft I have made a number of minor word changes but none of them have been intended to change the substantive content of Part II.
2. With reference to the advantages and limitations of TOD (Part II, p. 10 and p. 11), I have elaborated somewhat on the former while preserving what already existed. Under limitation number one, I have added a new reference to the State Department's Bureau of Intelligence and Research.
3. Please advise me (by telephone if practicable) whether this draft is satisfactory or what further changes you recommend. We will now await word from Colonel Wood as to when we should schedule a meeting to consider Part III which he is drafting.

[Redacted]
Chairman, TOD Committee
